In June 2005 the City Council approved the Fallon Sports Park Master Plan which included multiple phases of development for the 60 acre site. The City's Landscape Architect Carducci and Associates will be presenting the Phase I Conceptual Plan for Fallon Sports Park. The City invites public input on the overall design elements proposed for the 26.5 acre Phase I development. This is the first of two public meetings scheduled and community input is encouraged. Please contact the Parks and Community Services Department for further information at 925-556-4500.

We look forward to your participation!
